Dear Ms Feeney,

South Cambridgeshire Local Plan Examination Statements: Matter SC4C

I am writing on behalf of Defence Infrastructure Organisation and Urban&Civic (respondent reference: 20874) regarding the forthcoming Matter SC4C (xiii.) of the South Cambridgeshire Local Plan Examination.

An Examination statement was submitted on behalf of my client about the proposed Local Green Space at the Waterbeach Barracks Frontage (NH/12 -167) and David Lock Associates has a seat to appear at the hearing session.

Following the publication of South Cambridgeshire District Council's statement on the matter (see pages 67-68 paragraphs 339 – 341), it is evident the District Council is proposing a modification which would delete the draft Local Green Space at Waterbeach Barracks Frontage (NH/12-167).

We have discussed this with the District Council and I can confirm that if the proposed modification is accepted by the Inspectors, and carried forward into the modified plan, my client's objection would no longer stand. As there is common ground with the Council and there are no other participants promoting the Local Green Space at the hearing, I can also confirm we no longer wish to participate in the Examination on this matter. The Inspectors have both the original objection and both my client's and the District Council's statements before them to consider the matter.

Feel free to contact me if you wish to discuss or require further information.

Yours sincerely
