26th September 2023

Dear Kathryn,

Thank you for resubmitting the report (Jack) for South Cambridgeshire Community Safety Partnership to the Home Office Quality Assurance (QA) Panel. The report was reassessed in September 2023.

The QA Panel felt the report was clear, open and honest. There was good family involvement, and this helps bring Jack's experiences to the forefront. The panel was well attended and included representation from suicide prevention and an expert on older people.

There were very thoughtful condolences offered to Jack's family at the commencement of the overview report from the DHR panel and CSP. The Chair thanked Jack's children for their participation in the report, and acknowledged that although the panel chose the pseudonyms, the family agreed them.

The Home Office noted that most of the issues raised in the previous feedback letter following the first submission have now been addressed.

The view of the Home Office is that the DHR may now be published.

Once completed the Home Office would be grateful if you could provide us with a digital copy of the revised final version of the report with all finalised attachments and appendices and the weblink to the site where the report will be published. Please ensure this letter is published alongside the report.

Please send the digital copy and weblink to DHREnquiries@homeoffice.gov.uk. This is for our own records for future analysis to go towards highlighting best practice and to inform public policy.

The DHR report including the executive summary and action plan should be converted to a PDF document and be smaller than 20 MB in size; this final Home

Office QA Panel feedback letter should be attached to the end of the report as an annex; and the DHR Action Plan should be added to the report as an annex. This should include all implementation updates and note that the action plan is a live document and subject to change as outcomes are delivered.

Please also send a digital copy to the Domestic Abuse Commissioner at DHR@domesticabusecommissioner.independent.gov.uk

On behalf of the QA Panel, I would like to thank you, the report chair and author, and other colleagues for the considerable work that you have put into this review.

Yours sincerely,
